QZ CONNECT  
RETAILERS

Let us show you how a reliable network and great service can  
help your business and bring you real peace of mind.

Switching to us is easy, no matter what your current network,  
the process is simple and non disruptive.

*"If we can improve margins  
without cutting corners, that's  
terrific, but if we can enhance  
the customer experience at the  
same time, that's brilliant."*

## DEDICATED SUPPORT & NETWORK MANAGEMENT

Why choose QZconnect for your retail connectivity needs?

### NO LOST SALES WHEN YOUR PRIMARY BROADBAND DROPS

QZconnect's solution means you will not lose a sale or waste time when your primary broadband drops. Our system switches seamlessly to a wireless backup in the event of a primary connection drop and continues to deliver uninterrupted connectivity to your business.

### A ONE-STOP NETWORK SOLUTION

Our high quality infrastructure and superior support delivers the best possible solution for the retail environment, delivering fast, effective transactions, first-time and every time. Our team's knowledge of telecoms and retail technology underpins a network solution that is reliable, flexible, and future-proofed.

### BENEFIT FROM QUALITY HARDWARE ROBUST & FIT FOR PURPOSE

The QZconnect solution uses the same equipment as used in a national ATM network. This means that our hardware is robust, reliable and fit for purpose.

### AVOID THE FRUSTRATION OF CALL CENTRES & DELAYED RESPONSE TIMES

In the unlikely event that you identify a connectivity issue, simply contact our dedicated support team. QZconnect will troubleshoot the issue, communicate with hardware and service suppliers and swiftly resolve the issue.

### SAVE MONEY ON TELECOMMUNICATION & NETWORK COSTS

Why pay for unnecessary lines and services? QZconnect's experienced network advisors will conduct an assessment, listen to your requirements and tailor the most cost-effective solution to suit your business needs.

### ENJOY A NETWORK SOLUTION WHICH GROWS WITH YOUR BUSINESS

As your business grows, so should your network. The scalability of the QZconnect solution supports the evolution and growth of your IT and network infrastructure so that we can easily and cost-effectively tailor your solution to meet your future business needs.
